

# MyChart

Are you a MyChart user who would like to access MyChart on your mobile phone?

Current MyChart users can download the MyChart mobile application, available at no cost.

View test results, medications, immunizations, past and future appointments and more.

The MyChart® mobile application is currently available on the Apple® App Store<sup>SM</sup> and the Android Market<sup>TM</sup>.

Download instructions:

1. Access the App Store or Android Market on your mobile device
2. Search for 'MyChart' to locate the application
3. Download the free MyChart application
4. Launch the MyChart application and select Cleveland Clinic as your healthcare provider
5. Log in using your MyChart username and password

Download the MyChart App:
